RESIDENT SATISFACTION IS OUR GOAL

At Crestwood Village, we believe exemplary resident service goes far beyond providing a good housing value. Quality-of-life issues like caring managers, planned social activities and new friendships all add up to long-term resident satisfaction.

Crestwood Village is famous for unique conveniences, such as PAID utilities, key-access buildings, indoor trash rooms, elevator service, community kitchens, libraries and laundry rooms in every building, and more. A full-time social director coordinates regular dances, birthday celebrations, seasonal parties and charter bus trips.

Free courtesy bus transportation is available 5 days a week for residents. Bus availability and schedules are subject to change without notice.

"I think the bus is one of the most marvelous services they offer, they go so many places!"

—Phyllis Gentry

BUS SCHEDULE

Crestwood Village is committed to providing accessible transportation for our residents. Crestwood Village courtesy buses are equipped with a kneeling system which lowers the passenger side of the bus, extends a ramp, and allows residents with and without mobility impairments to board, ride and exit the vehicle easily and comfortably.
